§870.11 Applicability.

The regulations in this part apply to all surface and underground coal mining operations except—

- (a) The extraction of coal by a landowner for his own noncommercial use from land owned or leased by him;
- (b) The extraction of coal for commercial purposes by surface coal mining operations which affects two acres or less during the life of the mine;
- (c) The extraction of coal as an incidental part of Federal, State, or local government-financed highway or other construction;
- (d) The extraction of coal incidental to the extraction of other minerals where coal does not exceed 16% percent of the total tonnage of coal and other minerals removed for commercial use or sale
- (1) In accordance with part 702 of this chapter for Federal program States and on Indian lands or
- (2) In any twelve consecutive months in a State with an approved State program until counterpart regulations pursuant to part 702 of this chapter have been incorporated into the State program and in accordance with such

counterpart regulations, thereafter; and

(e) The extraction of less than 250 tons of coal within twelve consecutive months.

EFFECTIVE DATE NOTE: At 52 FR 21229, June 4, 1987, in §870.11 paragraph (b) was suspended insofar as it excepts from the applicability of 30 CFR part 870:

- (1) Any surface coal mining operations commencing on or after June 6, 1987; and
- (2) Any surface coal mining operations conducted on or after November 8, 1987.

§870.12 Reclamation fee.

- (a) The operator shall pay a reclamation fee on each ton of coal produced for sale, transfer, or use, including the products of in situ mining.
- (b) The fee shall be determined by the weight and value at the time of initial bona fide sale, transfer of ownership, or use by the operator.
- (1) The initial bona fide sale, transfer of ownership, or use shall be determined by the first transaction or use of the coal by the operator immediately after it is severed, or removed from a reclaimed coal refuse deposit.
- (2) The value of the coal shall be determined F.O.B. mine.
- (3) The weight of each ton shall be determined by the actual gross weight of the coal.
- (i) Impurities that have not been removed prior to the time of initial bona fide sale, transfer of ownership, or use by the operator, excluding excess moisture for which a reduction has been taken pursuant to §870.18, shall not be deducted from the gross weight.
- (ii) Operators selling coal on a clean coal basis shall retain records that show run-of-mine tonnage, and the basis for the clean coal transaction.
- (iii) Insufficient records shall subject the operator to fees based on raw tonnage data.
- (c) If the operator combines surface mined coal, including reclaimed coal, with underground mined coal before the coal is weighed for fee purposes, the higher reclamation fee shall apply, unless the operator can substantiate the amount of coal produced by surface
